Description

Al-Munir LLC is a multidisciplinary consulting firm founded in 2016. Consultants at Al-Munir specialize in curriculum development, qualitative research, arts and culture programming, public health research, and more.

Some of our notable partners include: Environmental Protection Agency, La Casa De Don Pedro, Anibal Ramos Civic Association, Newark Community Health Center, Newark Science and Sustainability, Skopos Hospitality Group, and New Jersey Children's Foundation. The Team's specific services to achieve this goal include designing frameworks of engagement with locals, rolling out professional development sessions on inclusion and diversity, and providing K-12 civic engagement and social studies education.
