## Description

For over three decades, Albaseerah has been serving Islamic knowledge, community service, and self growth. Discover our story.

**Albaseerah** began as a humble initiative dedicated to the noble cause of Knowledge & Dawah, calling people back to Allah and His Messenger, upon the understanding of the blessed companions. What started as a small gathering has flourished into a comprehensive Islamic organization serving tens of thousands across the tri-state area.

Our journey has been blessed with the opportunity to host hundreds of major [scholars](#), organize dinner events attended by tens of thousands annually, facilitate Hajj/Umrah/Educational Travel services, host 'itikaaf programs & iftar/suhoor gatherings consistently for decades, and host thousands of weekly lectures and educational programs. Albaseerah is YOUR complete organization, and we urge you to walk together with us on this blessed path of Allah.
