Description

At Earthship, we offer door-to-door shipping for anything lawful, partnering with FedEx, UPS, DHL, etc. with great savings in shipping price.

Our online shipping platform is carrier neutral, so that you can pick and choose the best combination of the carrier, i.e. FedEx, or DHL, etc., price, delivery schedule, by size and weight limit illustrated with package pictures. Even when you don't have major credit cards for online shopping or a USA address to accept delivery, you can use our "BuyForMe" service to give us order instructions, then we will handle everything from the purchase up to the final delivery to your door , in over 220 countries across the world.
