Description

PattyRoc Cleaning Services, LLC

- Bettering our local economy by assisting local businesses present healthier and cleaner environments with professional **Eco-Friendly and Green Cleaning**. Also delivering exceptional improvement and uncompromising attention to detail.

Our primary focus is commercial cleaning as we have helped establishments such as warehouses, office buildings, restaurants, bowling alleys, etc. If needed we can assist with residential as well.

Vision:

- Deliver the finest cleaning service in the Lehigh Valley and northern New Jersey, by providing the highest level of customer satisfaction available for big and small accounts.

Pricing depends primarily on square footage and time serviced is based on that principle.

Our team helps businesses maintain clean, healthy, and productive work environments—so you can focus on what matters most, your business.
