## Description

---

**\*\*"With a lifelong passion for dance ignited at the tender age of two, I've always found joy in expressing myself through movement. My family fostered this love, and it's been constant in my life. A few of my favorites are Free Styling, Salsa and the Hustle..."**

**In 2010, after attending a single line dance party, I was captivated by the energy and community. Inspired, I embarked on a journey to share this exhilarating experience with others.**

**Since then, I've dedicated myself to guiding individuals of all levels, helping them discover the joy of line dancing and unleash their inner dancer. My teaching philosophy centers around feeling the music and embracing the sheer fun of it all while watching others learn and have a great time on the dance floor...**

**I've had the privilege of instructing at numerous private celebrations, from birthday parties, weddings, sororities, family reunions to festive holiday events.**

**Beyond individual lessons, I founded the 'Brick City Soul Line Dancers in 2012, a vibrant group of women who share my enthusiasm for line dancing. Together, we embark on exciting dance adventures, traveling to parties and events across cities and states.**

**Annually, we host a grand 'Line Dance Affair,' a celebrated event that brings the line dance community together for an unforgettable party."\*\* I've also been teaching the Seniors in the surrounding cities of NJ for the past 12 years!**
