Description

SULTAN BAKERY & CAFE represents the exciting expansion of our beloved Fresh Bakery Products, originally founded in Paterson, New Jersey. Building on decades of artisanal excellence and community trust, we're proud to bring our time-honored recipes and warm hospitality to new neighborhoods across the state.
From our flagship location in Paterson to this new chapter, we remain committed to crafting exceptional baked goods using traditional techniques passed down through generations. Every croissant, every loaf of bread, and every custom cake carries the same dedication to quality that made Fresh Bakery Products a New Jersey institution.
As we continue our state-wide expansion, we invite you to experience the authentic taste of New Jersey's finest bakery tradition. Whether you're a longtime customer from Paterson or discovering us for the first time, welcome to the SULTAN BAKERY & CAFE family.
