Description

United Hands for Relief and Development (UHR)

Engages in humanitarian projects both locally and internationally to assist those in dire need of assistance. It is our goal to empower individuals and families within their communities.

Vision

Working diligently to funnel our efforts toward alleviating and immediately responding to the sufferings of others around the globe, regardless of nationality, race, religion or social status.

Mission

Striving for the implementation of efforts toward a better and hunger-free world through individual and collective actions, where everyone has a fair chance to attain basic human rights by living with dignity and respect.
